Protocol: Traveling

Party Size: 2

Duration: 2 hour(s), 30 minute(s)

Distance: 2.5 mile(s)

Observers: James Sheppard ([List](#)), **John Schaefer**, [Josephine Muncy](#) ([List](#)), Lawrence Sutton ([List](#))

Comments: Josie and Jim S scouting trail. Construction work is underway on parts of trails for water distribution and opening up sides of trail for better viewing. Saw one deer and though we couldn't see it we had a bear loudly growl from less than 50 ft off trail. Didn't have to fight the mosquitoes from that point on as our walking pace rapidly increased. Saw some excellent birds.
